

Junior Golf Camps 2024

Taught by Claire Batista, PGA

Goals & Methods:

The goal of these Junior Golf clinics is to continue to develop junior golfers on the fundamental athletic movements and to help them become better long-term golfers and overall athletes. Whether golf will be a social or competitive game for your junior, the goal is to teach them the various movements to help the overall experience, while motivating them to play and learn on their own.

Overview:

The Academy is open to both **boys and girls** from ages 6-13. Instruction will be organized to the specific age and capability of the player. These clinics will focus on the fundamentals of the game while allowing the junior to learn and have fun while playing golf

Academy Price: \$140

Dates & Times:

June 17-19 10:00am-12:00pm

July 8-10 10:00am-12:00pm
